## Important information:

The exchange of admission tickets through CTS Eventim AG & Co. KGaA is principally not possible. CTS Eventim AG & Co. KGaA is not a promoter, but rather, an outlet. In case of a cancellation or postponement of the events offered by CTS EVENTIM AG & Co. KGaA, the information about and the handling of customer claims will in most cases be carried out by us, on behalf of the promoter. We point out that no independent reimbursement claim against us can be justified through this service. However, for further claims and for all other problems in connection with the implementation of the booked event, your contact is solely the promoter, whose name is specified on the announcements for the event.
